

## INSTINCT EMPLOYEE BIOS

### DR. SUSAN G. WYNN

DVM, DACVN

Susan G. Wynn, DVM is a 1987 graduate of the University of Georgia's College of Veterinary Medicine. She completed an internship with Friendship Hospital for Animals in Washington DC in 1988, a post-doctoral fellowship in viral immunology with Emory University's School of Medicine from 1993-1996 and a nutrition residency with University of Tennessee from 2007-2010.

She is board certified in veterinary clinical nutrition, and was also certified in acupuncture (IVAS) in 1997, in Chinese Herbal Medicine (Chi Institute) in 2001, and accepted as a peer-reviewed professional member of the American Herbalists Guild in 2002. She is a former president of the American Holistic Veterinary Medical Association and the American Academy of Veterinary Acupuncture, founder of the Veterinary Botanical Medical Association and has served on the board of directors for the American Academy of Veterinary Nutrition and the Georgia Veterinary Medical Association. She is a consultant for the Veterinary Information Network.

An internationally respected speaker in nutrition and holistic veterinary medicine, Dr. Wynn authored or co-authored peer reviewed scientific papers as well as 4 professional level textbooks, including *Veterinary Herbal Medicine* (2007), *Manual of Natural Veterinary Medicine: Science and Tradition* (2003), *Emerging Therapies: Herbal and Natural Medicine for Small Animals*, and the seminal *Complementary and Alternative Veterinary Medicine: Principles and Practice* (1998). She is an adjunct faculty member with the University of Georgia's College of Veterinary Medicine. Dr. Wynn is has been in clinical practice for 31 years, most recently with BluePearl Veterinary Partners.

Dr. Wynn joined Instinct Pet Food as Senior Director of Scientific Affairs in 2019 where she works closely with the Instinct and our research partners to help us bring our purpose of Empowering People to Transform the Lives of Pets to life.
